Dear Friends,

The fall semester will soon be coming to a close all over the Capital Region (Albany, NY) and the students will begin to prepare for time back "home" with family or friends for Christmas and New Years! Before we know it we'll be at the Boston Winter Conference in Boston, MA (December 31st-January 5th)

We trust that you have been receiving our newsletters monthly and are able to hear how your influence is making a difference on various campuses. More specifically we are personally engaged with students on the following colleges: College of Saint Rose, RPI (Rensselaer Polytechnic Institute), State University of NY at Albany, and Hudson Valley Community College (in Troy). The other members of our Capital Region staff team are also actively working on these and **five** others! Because God has worked through your partnership of prayer and finances:

- A number of students have come to Christ in the last year, besides all those who have heard the Gospel in the Capital Region and also last summer through our work with college students in New York City!
- there has been another small group started at St. Rose and now John is investing in three men and meeting weekly to get into the Word of God and talk about serving like Jesus on their campus!
- In addition to this, our spiritual movements have grown to where now the students are leading and coordinating almost the entire monthly "Citywide" meeting all on their own!
- One African American student leader recently felt God's call to go into ministry full time on campus, along with so many other highlights!! **God is moving** and we appreciate you!

For us, 2010 has been challenging financially -- perhaps for you also. We have had changes in our Financial Support due to many events throughout the year. As 2010 comes to a close, **would you consider giving a special gift for our ministry so that we can continue this important work of reaching students for the Lord**, like those mentioned in our many newsletters? We've experienced a shortfall and are asking the Lord to provide \$7,000. You have been so gracious over the time we've known you, and for that we give thanks to the Lord. We understand that you may be facing financial challenges as well -- so if it is not possible, we understand. **We are deeply grateful for all you already do** -- your prayer support, financial gifts and friendship are vital to our ministry!

If you are able to help, please write your check according to your selection on the response card attached and mail both back to us in the enclosed envelope (if post marked on or before dec. 31 you will receive a tax deduction in the current year). If you would prefer to give a gift online, go to <http://JohnAndEllenFleming.com/give/> and follow the instructions or visit our website <http://JohnAndEllenFleming.com> and view our most recent newsletter too! **Thank you** for partnering with us to bring the message of hope to the world changers of tomorrow: college students.

Yours in Christ,

P.S. Please let us know how we can pray for you by putting your requests on the back of the enclosed card. Also, if your contact information has changed, would you send us your new info on the card? Thanks so much, we look forward to hearing from you!
